To  
Sympathisers of  
Freeport Indonesia Workers Struggle  
Around the World

Dear comrades,

On behalf of Freeport Indonesia workers, especially those who still fighting for our rights and better welfare who to date there are 7 thousand of them request you to assist us in continuing this struggle. Since September 2011 we and our members have not been on Freeport Indonesia's payroll anymore. Yet, we need to have a continue flow of funding to sustain our struggle. The funding is primarily needed to fund our operational cost. To date this fund is drying out. In the past this funding was generated from our members' contribution. To date we have used our funding to fight against the management that started on July this year.

In this letter we request LOAN assistance to all Organisations, progressive organisations and individuals who have been on our side of struggle. We will return the financial assistance when we successfully reach agreements with Freeport Indonesia management that are beneficial for our members. We vow continue fighting in this struggle til the end.

You can transfer the fund to our Union account at **Bank Mandiri**:

**DANA PERJUANGAN SPSI PT.Freeport Indonesia** (Freeport Indonesia Workers Union Struggle Fund), with account number: **154-00-1025925-1**

**SWIFT CODE (Transfer from outside) : BMRIIDJA**

To verify the information, you can email us at: [puk.fsp.kep.spsi.ptfi@gmail.com](mailto:puk.fsp.kep.spsi.ptfi@gmail.com) or ask to Bank Mandiri Branch Kuala Kencana, Timika, Papua.

Thus this request and for your assistance and cooperation of humanity sake, we thank you.
